Intro: (spoken)

Yo man
Yo I know you see me here dude
I ve been waiting here like 10 minutes, man
No, no no this is MY parking space man.
What you need to do is put your little hybrid in reverse,
And go out the way you came in.
WHAT? ?
Yo its about to get REAL in the Whole Foods parking lot man

Chorus (rapped)

It s getting REAL in the Whole Foods Parking Lot
I got my STEEL and you know it gets sparked a lot
Im on my grind homie It s on my mind homie
These fools with clip boards are lookin at me like they know me

It s getting REAL in the Whole Foods Parking Lot
You know the DEAL with the little shopping carts they got
Check out what I say, it happens every day
It s how we LIVE on the west side of LA

Verse I

... Im ridin slow in my Prius
all leather, tinted windows you cant see us
Everybody s trying to park, you can feel the tension
I m in electric mode can t even hear the engine (Shhhhhhh)

Just then I saw a spot open up,
My timings perfect Im creepin up
But then this other dude tried to steal it going the wrong way
Yo man, I ve had a LONG DAY

Chorus
(same as before)

Verse 2

Now I m on this inside, looking at my list
Organic chicken, Kale Salad and a Lemon Twist.
Some girl in yoga pants is lookin at me funny
I m just trying to find a decent Pinot Noir for under twenty

Then I take it to the cheese counter, Humboldt Fog?
We just ran out sir   Really Dog?
Take it easy man, I try to calm myself
I ve been on edge ever since they took Kombucha off the shelf

Chorus

(same as before)

Verse 3

This Busters on his iPhone talking to his friends,
Picking up some cayenne pepper for his master cleanse.
You re the most annoying dude I ve ever SEEN brah
Could you PLEASE move? You re RIGHT in front of the Quinoa.

Damn, I m about to check out.
Pay my 80 bucks for 6 things and get the heck out.
The express lane is moving hella slow
Man, these fools don t know that shit is getting REAL .

Chorus
(same as before)
